

# MASTER OF BUSINESS ADMINISTRATION

## Batterman School of Business Mission

The Batterman School of Business emboldens a global network of transformational and collaborative Christian leaders, dedicated faculty, entrepreneurial students, and active alumni who come together to create maximum social impact through ethical practice, innovation and service.

Led by our Christ-centered values, we believe that the best business leaders demonstrate both uncompromising compassion and unmatched competitive skill. Because of this, our education develops students to master the “triple bottom line” people, planet, profit. As a Concordia business graduate, you can expect to stand out as you develop a genuine, ethical mindset alongside a strength of business acumen that is unmatched in the market.

The Master of Business Administration (MBA) program will prepare future leaders to make informed decisions and adapt innovative strategies appropriate for today’s dynamic business environment. The curriculum incorporates an ethical and global lens to support managers and executives to meet the needs of a diverse group of stakeholders.

The MBA foundation courses provide a strong foundation in ethics, people-focused management, and data driven decision making, while the students’ selected concentration area provides a deep dive into a targeted area of expertise.

## Program Structure

The Master of Business Administration (MBA) degree requires thirty-six (36) semester hours of credit comprising of twelve (12) courses. A thesis is not required for this degree. The program consists of six eight-week terms per year. Students must complete all requirements for the MBA degree within seven years of matriculation.

Classes are offered in three modalities: online (asynchronous), virtual (synchronous), and in person.

The capstone course, BUS 7500 Strategic Management, must be taken as the final class in the program unless other arrangements are made with the Director of the MBA program.

## Program Learning Outcomes

By fulfilling all of the course requirements for the Master of Business Administration, students will be able to:

- a. Evaluate business decisions and ethical dilemmas from a Christian perspective;
- b. Assess critical business issues using evidence from multiple sources and viewpoints, incorporating a global perspective;
- c. Integrate knowledge from various business disciplines to make informed decisions;
- d. Analyze complex questions within challenging business problems and compare and contrast multiple alternatives;
- e. Utilize quantitative and qualitative data to drive the decision-making process and formulate innovative solutions;
- f. Demonstrate professional oral and written communication of pertinent business information;
- g. Interpret quantitative data to inform strategic decision making;

- h. Demonstrate proficiency within their selected area of business expertise through the creation of professional business materials, relevant to their selected discipline.

## Curriculum

The MBA program is designed to encourage curiosity and open-mindedness while providing fundamental business principles. Concentration areas allow individuals to build expertise and confidence in core competencies. Experiential Learning provides additional global perspective and cultural knowledge on top of business proficiencies obtained in foundation and concentration courses. The MBA program concludes with an overarching capstone experience. Courses are 3 credits unless otherwise indicated.

## Admission Requirements

- Bachelor's degree from an accredited university.
- Minimum undergraduate GPA of 2.75 out of 4.0 for acceptance.
- Students with a GPA of 2.74 – 2.25 may be conditionally admitted by the MBA Program Director and have to meet special academic conditions.

## Program Prerequisites

The MBA program has four prerequisite content areas. These prerequisites are not required prior to starting the program but must be completed prior to taking the corresponding MBA course. Students will be evaluated as to whether they will need to fulfill any prerequisites. Students may have fulfilled prerequisites as part of their undergraduate studies. These content areas are Accounting, Finance, Management and Statistics. Students may fulfill these prerequisite content areas by either taking traditional or non-traditional 3 credit courses, CLEP or DSST examination, have them waived based on professional experience, or all prerequisite content areas can be fulfilled by taking a single course BUS 5005 Business Foundations for Administrative Professionals (3 Cr).

**International Student Prerequisite Requirement.** International students are required to complete BUS 5000 Graduate School Success (3 cr.) as part of their degree program; thus, the minimum required credits for degree completion is increased by three (3) credits unless otherwise approved by the MBA Program Director.

## Course Transfer Policy

The MBA program will accept up to eighteen (18) hours of transfer credit, based upon the following criteria:

- Courses transferred must be comparable in scope and subject matter to courses offered in the MBA program.
- Courses transferred must have been completed at the graduate level from an accredited institution.
- Courses must have been completed with at least a 3.0 on a 4.0 scale.
- Transfer credits must not be older than seven years.
- Transfer grades will not be used to compute CUWAA GPA.
