

MASTER OF OCCUPATIONAL THERAPY

The OT program at Concordia University Wisconsin prepares students to obtain employment in a variety of settings. The didactic coursework, community-based experiences, and clinical education come together to prepare students as entry-level occupational therapists. Students participate in clinical experiences which include individual and group treatment sessions in pediatric and adult populations. At CUW, we prepare uncommon OTs who are ready to serve their communities and clients.

Mission Statement

The mission of Concordia University's Master of Occupational Therapy program is to positively impact communities by developing Christ-centered occupational therapists who empower others to reach their highest potential through leadership, best practice, advocacy, and innovation.

Accreditation

The Master of Occupational Therapy program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 6116 Executive Boulevard, Suite 200, North Bethesda, MD 20852-4929. ACOTE's telephone number c/o AOTA is (301) 652-6611 and its Web address is www.acoteonline.org (<https://www.cuw.edu/academics/programs/occupational-therapy-masters/acoteonline.org>).

Students must complete 24 weeks of Level II fieldwork within 24 months following the completion of the didactic portion of the program.

Licensure/Certifications

Graduates of the program may sit for the National Certification Examination for the Occupational Therapist administered by the National Board for Certification in Occupational Therapy (NBCOT) located at One Bank St., Suite 300, Gaithersburg, MD 20878, (301)-990-7979. Graduates who successfully complete the exam will receive the credentials: Occupational Therapist Registered OTR®. Please note that most states require additional licensure/certification to practice. Be forewarned that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. Program data specific to Concordia University Wisconsin on the National Board for Certification in Occupational Therapy (NBCOT) Exam can be found on the NBCOT website: <https://secure.nbcot.org/data/schoolstats.aspx>.

General Academic Information

Our occupational therapy curriculum offers you exposure to many real-world scenarios that will test your knowledge. You'll have multiple opportunities for client contact, ranging from children to older adults, school systems to factories, and acute care to community wellness programs. Some of these experiences are clinical fieldwork placements, while others are client evaluation and consultation in a classroom or community setting. In your first year, you'll begin working with clients in the community to put theory into practice.

This is a full time graduate professional program taught in a blended format. Students interact with their classmates and professors online before and after in person classes, which focus on active learning and/or lab activities. Students apply to and enroll in one of three tracks, as determined by their educational background:

- Accelerated
 - Students starting as a freshman at CUW looking to earn a bachelor's and master's degree in 4.5 years
- Bridge
 - COTAs looking to further their education and opportunities as an OTR
- Post-baccalaureate
 - Applicants holding a bachelor's degree

Students should expect to pay the tuition and fees as noted on the website (<https://www.cuw.edu/academics/programs/occupational-therapy-masters/index.html#tuitionfees>).
