HISTORY

The History program is designed to help students develop knowledge of broad areas of history and philosophy of history; an understanding of the major events and themes in history and historiography; and the skills necessary to read, write, speak, and teach about history.

While the History major includes only two required courses (HIST 385 Historical Methods and HIST 490 Senior Seminar) and the History minor only one (HIST 385 Historical Methods), students must select one of three emphases: U.S. History, European History or Non-Western/Global history. Students, however, must take courses in all three areas. This ensures that though students choose a concentration, they are exposed to all areas of history. In addition, History majors and minors are required to take HIST 103 Civilization and Worldviews—History as part of the core curriculum.
