

HUMAN RESOURCE AND STRATEGIC LEADERSHIP MAJOR (A)

The Human Resource and Strategic Leadership program equips students with the knowledge and skills necessary for management in the human resource function within an organization. Students will develop interpersonal and technical skills in areas such as employment practices, staffing, compensation and benefits, training and change management necessary to help businesses thrive.

Program Learning Outcomes

By fulfilling all of the course requirements for the Bachelor's of Science in Human Resource and Strategic Leadership, students will be able to:

1. Recognize, clarify and apply important federal and state legislation, case law decisions, and executive orders that affect employment relationships.
2. Analyze compensation plans that identify and describe plan objectives, salary structure, and fringe benefits.
3. Recognize organizational performance models that create effective teams and organizations through employee motivation, engagement, culture, and change management.
4. Develop methods for attracting, retaining, developing, and engaging a diverse workforce.
5. Identify and describe the elements of servant leadership which apply to the work of the human resource professional.
6. Demonstrate knowledge of employee and management conflict resolution practices.
