

LIFE AND EARTH SCIENCES (M)

The goal of the Department of Life and Earth Sciences at Concordia University Wisconsin is to develop competent scientists with a Christian worldview. The graduates of this program will possess the current scientific knowledge and research/data interpretation skills so necessary for entering scientific or medical careers in industry, academia, or government. More importantly, they will be prepared to provide a Christian influence and ethical perspective to the debate on the science-related problems facing the world today.

Majors

- Biology Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/biology-major>)
- Biomedical Sciences Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/biomedical-sciences-major>)
- Environmental Health and Water Quality Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/environmental-health-and-water-quality-major>)
- Environmental Studies Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/environmental-studies-major>)
- Horticulture Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/horticulture-major>)
- Natural Sciences Major (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/natural-science-major>)

Minors

- Biology Minor (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/biology-minor>)
- Environmental Studies Minor (M) (<https://catalog.cuw.edu/undergraduate/cuwcampus/arts-sciences/life-sciences/environmental-studies-minor>)
