

# ENGLISH MINOR (M)

---

The study of language, literature, and expression fosters an increased understanding of the creative process, provides insights into the moral and ethical dimensions of ideas, and, in the Christian context of Concordia, explores the value of a life of intellectual curiosity. The English minor makes an ideal pairing with majors in the Humanities, Business, Legal Studies, Health Sciences, Classical Education, and Pre-Seminary tracks.

## Curriculum

Code	Title	Hours
