

SPORT AND ENTERTAINMENT BUSINESS MAJOR (M)

The Sport and Entertainment Business Major/Minor is housed within the Sport and Hospitality Business Department.

Like every other industry, the inter-related sports and entertainment industries were significantly impacted by the global COVID-19 pandemic. However, sports and entertainment are showing signs of a strong recovery. The global sports market is expected to grow from \$388.28 billion in 2020 to \$440.77 billion in 2021. Further, the market is expected to reach \$599.9 billion in 2025.

Yes, there are still engaging careers to be found in these dynamic and changing industries. However, they require the same six things from those who expect to excel within them:

Sacrifice. Attitude. Effort. Clarity. Humility. Grit.

The Sport and Entertainment Business degree allows you to pursue a variety of careers in athletic and entertainment management. Our curriculum is current, engaging, and challenging – with courses and experiences designed under the guidance of a professional advisory board consisting of industry practitioners – to help you develop the fundamentals, skills, and character that will give you the best chance to thrive in a competitive industry.

Not only that, but you'll work with industry pros, networking with and learning from experts in professional and amateur sports and entertainment, along with business people who work within the innumerable sub-professions tied to these industries. But nothing beats hands-on experience. If you display consistent professional and personal growth, you could earn intensive field experience opportunities at major events like the Final Four and even the Super Bowl.
