

RADIOLOGIC TECHNOLOGY COMPLETION (EC)

Are you working as a Radiologic Technologist, but want to earn your bachelor's degree to advance your career? Concordia's Radiologic Technology Completion Program offers professionals who have passed their National ARRT exam the opportunity to transfer previous knowledge and credits into Concordia's completion program; so you can earn your degree faster. We will match you with an academic advisor to determine how many credits you are able to transfer, and get you started on your journey to growing your career. We understand that you are a busy working professional. That is why this program provides flexible learning options. Each course lasts 6 or 8 weeks (depending on the given format). You'll benefit from coursework that is founded on a Christ-centered education.

With this degree, you will be eligible to apply for advancement opportunities including but not limited to:

Healthcare Leadership Roles

Healthcare Education

Healthcare Commercial Equipment Applications

Curriculum

This degree can be completed in a year and a half or less. We encourage you to select a minor that will help you fulfill the total number of credits (120) needed for graduation. You can transfer up to 84 credits. You will complete the Concordia core curriculum and electives, in addition to the credits transferred, to complete your bachelor's degree in Radiologic Technology.

Admission Decisions

When an applicant's file is complete, the file is forwarded to the Admission Committee for review. The Admission Committee can make one of four decisions. An official decision letter is sent to the applicant, giving the decision of the Admission Committee.

1. The student is fully admitted to the program.
2. The student is admitted as a conditional student whose admission and/or continuation in the program is contingent upon meeting certain conditions that are stipulated in the acceptance letter the student receives.
3. The student is denied admission.*

**If an applicant is denied and is eligible to appeal, they must write a letter to the program director stating their intentions and reasons for appealing the decision.*
